PRESIDENT'S REPORT

September 2020

Smok'n -Hot outing to Durango.

Smoky some time and hot most of the time. But, we all survived. We set up our pop ups between the Robert's and the Blalock's and did a lot of visiting and eating.

Larry and Penny and Bonnie and Jim barbequed ribs and served them with Beans & Potato Salad for dinner Friday night. We had a great meal.

Bonne & Jim brought Champagne and we had a toast celebrating Gold Diggers 30th year anniversary with F.M.C.A. Affirming once again that, we can still go camping, visiting, and being together by wearing masks, practicing social distancing and having a meal together.

We had a first time visitor Edith Houston.

And a second visit by new members John Boyd & Jeanne Morrison. We all enjoyed our get together.

We talked about our December outing at the the Lodi Grape festival in December and what our plan would be. We all agreed to wait till the date gets closer and see how things are with Covid.

We also talked about the distance to Durango from where most of us live being 5 hours and the Pettit's who had over a 7 hour drive. I know Horace has a plan for outings in 2021 but he was not able to attend so we are unsure of dates and places.

A thought in closing. You think things are bad now? In 20 years our country will be run by people who were home schooled and some who started happy hour early.

See you soon:

SECRETARY' S REPORT

Betty Smith

There is no Secretary's Report today (sob!) as Miss Betty chickened out of the Durango rally. She blamed it on her abject fear of the dreaded Covid virus, but we really think she was doing something nasty with Galen. -Editor

MEMBERSHIP

Betty Smith

As of today, we have 21 Active Members; 2 Applicants and 1 Life Membership. After the Jackson Rancheria rally, Jeanne Morrison and John Boyd joined Gold Diggers and they are also attending Durango. Jeanne and John are from Escalon, which is pretty near where Galen and I live!

EDITOR'S REMARKS

For perhaps the first time in my life, I am at a loss for words! Can you believe it?

Durango

We toasted 30 years as a chapter. Hooray!

Our world famous chef prepared succulent Baby-Back-Ribs.

Fearless leader stuffing his face!

Bad boy! You go sit over there!

Aw gee, Dad

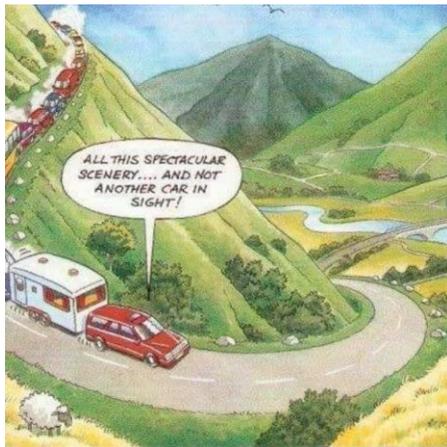

ANGELA'S LOONY BIN

THE RULES FOR LIFE(Continued)

9. Isaac's Strange Rule of Staleness: Any food that starts out hard will soften when stale. Any food that starts out soft will harden when stale.
10. Kenny's Law of Auto Repair: The part requiring the most consistent repair or replacement will be housed in the most inaccessible location.
11. Second Law of Business Meetings: If there are two possible ways to spell a person's name, you will pick the wrong one. Corollary - If there is only one way to spell a name, you will spell it wrong anyway.
12. The Grocery Bag Law: The candy bar you planned to eat on the way home from the market is hidden at the bottom of the grocery bag.
13. Yeager's Law: Washing machines break down only during the wash cycle. Corollary: All breakdowns occur on the repairmen's day off.
14. Lampner's Law of Employment: When leaving work late, you will go unnoticed. When you leave work early, you will meet the boss in the parking lot.
15. Quile's Consultation Law: The job that pays the most will be offered when there is no time to deliver the services.
16. Loftus' Law: Some people manage by the book, even though they don't know who wrote the book or even which book it is.
17. Lovka's Dilemma: You never get away, you only get someplace else.

Pay attention class! My Funk & Wagnalls says that "ironic" means 'the contrary of what is expressed'. Quiz question: What is the opposite of "irony"? Answer is at the end of Looney Bin.

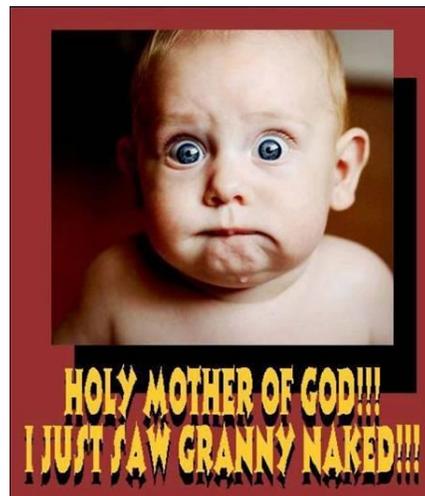

1 Why is this RV driving on the wrong side of the highway?

A young politician decided to get his first tailor-made suit. So he went to the finest tailor in town and got measured for a suit. A week later he went in for his first fitting. He put on the suit and he looked fabulous, he felt that in this suit he can do business.

As he was preening himself in front of the mirror he reached down to put his hands in the pockets and to his surprise he noticed that there were no pockets. He mentioned this to the tailor who asked him, "Didn't you tell me you were a politician?"

The young man answered, "Yes, I did."

To this the tailor said, "Whoever heard of a politician with his hands in his own pockets?"

Some people have accused me of being a "lexophile" (Oh, the horror). (You could look it up).

..When fish are in schools, they sometimes take debate.

.. A thief who stole a calendar got twelve months.

..When the smog lifts in Los Angeles U.C.L.A.

.. The batteries were given out free of charge.

..A dentist and a manicurist married. They fought tooth and nail.

..A will is a dead giveaway.

.. With her marriage, she got a new name and a dress.

.. A boiled egg is hard to beat.

..When you've seen one shopping Center you've seen a mall.

.. Police were called to a day care Center where a three-year-old was resisting a rest.

. Did you hear about the fellow whose whole left side was cut off? He's all right now.

.. A bicycle can't stand alone; it is two tired.

.. When a clock is hungry it goes back four seconds.

.. The guy who fell onto an upholstery machine is now fully recovered.

.. He had a photographic memory which was never developed.

.. When she saw her first strands of grey hair she thought she'd dye.

.. Acupuncture is a jab well done. That's the point of it.

And the cream of the wretched crop:

.. Those who get too big for their pants will be exposed in the end.

The opposite of “irony” is (of course) “wrinkley”. Isn’t that perfectly obvious?
