## PRESIDENT'S REPORT

April 2021

Hello to all:

Well, it looks like things are finally opening up a bit and should be back to normal by mid-year. I still do not know what normal is, but as long as I have it, I should be O.K.

We have scheduled our first outing in 2021 in May at Heritage R.V. Park in Corning. Horace has put this together and is planning for all of us to have a good time and be well fed.

We have other outings planned for the rest of 2021, but the venues and contacts are having a hard time committing to the original dates and reservations. They assure us that, as time goes along, it will all work out as soon as the Covid thing levels off.

Most of us have made it thru this Covid thing pretty well, but we all have friends and family that were directly affected and doing the best they can, and we wish them well.

Overall, there seems to be quite a bit of interest in our group and what we do. Betty has a steady stream of potential members who she is communicating with about

our group, and we feel we should have a few people who might join us for

an outing.

We have had a couple of our members who have sold their R.V's and will no longer join us as the year goes along.

Some of our members have medical procedures planned for this year, and we would love to be notified so we can have our sunshine person send them a note to wish them well.

F.M.C.A. has a lot of new faces and new ideas, but that is good. Some changes needed to be made to slow the exodus of members.

Remember we all are like family, and we miss talking and visiting with you all. Hang in there. We can do this.

Al and Darlene

### Membership Report for Newsletter – March 2021

As of March 2021, we have 20 Active members, 4 Applicants and 1 Life Membership.

In February, Larry and Jan DeZonia from El Dorado Hills applied for membership. The DeZonia's interests are golf and boating. Welcome Larry and Jan! We look forward to meeting you and the Murrays at an upcoming rally.

Unfortunately, Jonnie and Angela Pettit sold their rig so are no longer members. We will really miss them, but they have told me they will try to visit us at one of our rallies!

As of this report, we have 20 Active Members, 4 Applicants, and 1 Life Member.

Hope to see you at Heritage RV Park in May!
